Villa 1

Hilltop View

Our highest villa, with the most spectacular view on the property.

Villa 2

Twin House

It includes a cozy balcony with potted plants and pleasant views.

\$650/month

Located just below Villa 1, this villa is one half of a twin-style house shared with Villa 3. Cozy and private, with great views.

Villa 3

Twin House

It includes a cozy balcony with potted plants and pleasant views.

\$650/month

The second unit in the twin design next to Villa 2. Comfortable and bright, with its own small balcony.

Villa 4

Bright and spacious

Postcard-like scenery included

\$650/month

This villa features an extra spacious main bedroom with huge windows and postcard-like views you can enjoy right from the bed. The kitchen is a small separate space, perfect for simple cooking. Ideal for those who love light, space, and scenery.

Villa 5

Ultimate Privacy

Placed at the lowest point of the hill

\$650/month

Situated at the lowest point of the hill and farthest from the other villas, this home offers maximum privacy. Surrounded by lush greenery, with plenty of open space in front and around the villa — perfect for relaxing in nature.
